This is to certify that Julianna Dudas from I.L.I. Nemzetközi Nyelvek Intézete Kft, Gödöllő, Hungary visited Babel Centre, Timisora, Romania as Best Practice professional and intercultural visit and workshop event as part of I.L.I. Kft's Erasmus+ K1 Mobility project with the contract number: 2014-1-HU01-KA104-000425 between 7-11 September 2016.

During the event Julianna Dudas gave a talk on the Erasmus+ funded course she attended in Iceland at ICI, she shared her cultural, social and professional experiences about Iceland, its people, about the training centre called ICI which she attended.

She also gave some informative talks on Erasmus+ , what it is ? how to apply for funds? , deadlines, useful and practical information, etc. to our teachers and other teachers who came from our city and from the region. Julianna introduced their Erasmus+ project to us, shared the experiences of her colleagues who had attended other Erasmus+ courses, how the Erasmus+ project helped ILI Kft's teachers, training programmes and their learners so far to develop in the fields of latest ICT applications, methodology in helping disadvantaged learners.

Babel teachers, trainers also shared best practice ideas, our experiences on how to use the latest developments of ICT in teaching foreign languages to a variety of learners, inc. adults, how to cater for learners from disadvantaged backgrounds. with the 3 colleagues from ILI Kft.

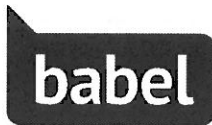

The management of Babel Center and I.L.I. Kft had some successful meetings about the possibility of future cooperation between the two institutions in the short-and in the long-run.

As a result of their successful and productive visit future training courses may be designed and then run by the Erasmus+ - trained trainers of the 2 institutions involved from 2018 onwards.

General Manager,

Manuela Murariu

This is to certify that Andrew Wright from I.L.I. Nemzetközi Nyelvek Intézete Kft, Gödöllő, Hungary visited Babel Centre, Timisora, Romania as Best Practice professional and intercultural visit and workshop event as part of I.L.I. Kft' s Erasmus+ K1 Mobility project with the contract number: 2014-1-HU01-KA104-000425 between 7-11 September 2016.

Andrew Wright gave a presentation and workshop on I.L.I. Kft's the Erasmus+ funded project with special focus on how teachers can help disadvantaged learners, learners with disabilities, how to enhance teachers's skills in making simple but expressive drawings to help to illustrate the teaching input in their professional work, and how to use these drawings in a motivating and creative way with disadvantaged learners

Andrew also shared ILI Kft's best practice ideas, our experiences on how to help disadvantaged learners, esp when it comes to teaching foreign languages to a variety of learners, inc. adults.

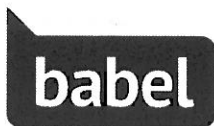

The management of Babel Centre and I.L.I. Kft had some successful meetings about the possibility of future cooperation between the institutions.

As a result of their successful and productive visit future training courses may be designed and then run by the Erasmus+ - trained trainers of the 2 institutions involved from 2018 onwards.

Babel managers, trainers showed the cultural aspect and beauties of Timisoara to the 3 ILI Kft guests as well during a sight seeing tour and attending our famous musical festival in the evening.

This is to certify that Ágnes Sebestyén from I.L.I. Nemzetközi Nyelvek Intézete Kft, Gödöllő, Hungary visited Babel Centre, Timisoara, Romania as Best Practice professional and intercultural visit and workshop event as part of I.L.I. Kft's Erasmus+ K1 Mobility project with the contract number: 2014-1-HU01-KA104-000425 between 7 - 11 September 2016.

Ágnes Sebestyén gave a presentation on the Erasmus+ funded course she attended at Atempo in Graz, Austria, how she has applied the knowledge, esp. latest ICT inputs to include in ILI Kft's training programmes. She also shared some cultural information about Graz and Austria.

She also shared some of the best ideas, techniques she had learnt from ILI Kft's Erasmus+ project partners who had also attended Erasmus+ courses. Babel Centre teachers and other teachers from our city and from the region attended the training events who liked the inputs very much.

We also shared best practice ideas, our experiences on how to use the latest developments of ICT in teaching foreign languages to a variety of learners, inc. adults, how to cater for learners from disadvantaged backgrounds.
